The Alumni 5K Run & Walk starts at Touhill Circle. The undulating route features great views of campus along Grobman Drive and West Drive, cutting through the heart of campus on St. Vincent Greenway – Wayne Goode Trail, sometimes referred to as the "cross-campus trail." New this year: participants will take Clark Hall Dr back to Grobman and have the option to return to Touhill Circle for a 3K or loop back around West Drive for the 5K.
